Farmyard CSA 10 Week Membership Agreement

As a Farmyard CSA member, I understand that farming is a seasonal and unpredictable business. I am aware that exact selections and/or quantities included in the weekly basket will change as the season's change. I understand that Farmyard grows what is in season for our climate and I can expect consistent crops in my subscription each week. I understand that all payments are not refundable. I understand all payments are final and I am due no refund for any portion of my subscription. I understand that all monies collected are used to plant and care for the farm for the season of which I joined. If I need to skip a week during my session, I understand that I must give a minimum of 48 hours notice to Farmyard and I am permitted to do this 2 times per 10 week session. If I elect to skip additional weeks throughout the 10 week session, I understand that a \$4.00 charge per week skipped, will apply. If I do not give enough notice for a skipped week (ie. less than 48 hours), I authorize Farmyard to donate my basket to a local charity. I understand that the produce is delivered in tote bags which are to be returned each week. If I do not return my tote bags, I understand that I can be billed for them at a cost of \$3 each. At the end of my 10 week block, I may keep the 10th tote bag as a gift for my subscription.
